A

WORD

FROM

THE

PASTOR

A great church is constituted of a great people. Great Christian people are sinners redeemed by grace who have become servants of all.

Our church is a haven for the weary, a refuge for the distressed, and a fellowship for the lonely. There are none among us who are perfect, but we strive to make Christ Lord. In our imperfection, with Christ as Lord and the greatest commandment "Love the Lord God with all thy heart, mind and soul and love thy neighbor as thyself" as our guide, we find meaning for our lives, concern for our fellowman, and fulfillment through fellowship and service. Isn't it wonderful to be a part of a great fellowship and a great church.

My prayer is that this Directory will serve to make us more aware of each other. Our lives will surely become richer through the realization that each picture and name listed is a part of the Hunting Creek Church family.

No complete history of Hunting Creek Baptist Church can be prepared as many of the church records have been lost or destroyed. However, the following facts, collected from various sources, show how the spirit of Christ has been kept alive throughout the years.

As a result of a call from the Suck Spring Church in 1828, the Hunting Creek Church was organized in 1832. It was not until 1839 that a deed was recorded conveying property on which a log building was located. The deed reads "From Poindexter W. Mosby and Nancy, his wife, to Howard Major, John Turpin and Moses Snead, Trustees, for use of Presbyterian, Baptist, Episcopalian, and Methodist, approximately one acre on which building at time of purchase." The deed refers to the building as the Hunting Creek Meeting House. There is no record of the date that the log building was replaced by a frame building. However, between 1921-25, during the pastorate of the Reverend R. E. Brown, Sunday School rooms were added to the frame building.

Prior to 1921 the church had been pastored by: William Harris, 1851-1858; Alexander Eubank, 1859-1867; T. B. Gatewood, 1868; William Fisher, 1869-75, J. L. Lawless, 1876-80; F. M. Satterwhite, 1881; A. J. Reamy, 1882-83; W. M. Fisher, 1884-87; J. R. Fizer, 1888-89; R. B. Boatwright, 1890-91; J. G. Council, 1892-94; no pastor 1895; J. P. Essex, 1896-97; W. B. James, 1898-1901; Dr. J. P. McCabe, 1902-04; W. S. Royal, 1905-06; W. E. Guy and John Guy, 1907-08; J. P. Luck, 1909-10; W. L. Hays, 1911-12; no pastor, 1913; C. K. Hobbs, 1914-17; no pastor, 1918; P. A. Anthony, 1919; no pastor 1920; R. E. Brown, 1921-25.

The Centennial celebration of the church was held in September, 1932, while the Reverend J. M. Franklin (1926-37) was pastor.

In 1938 the Reverend E. S. Vaughn became pastor, and served for almost fourteen years. Increasing growth made it necessary to build new facilities. In April, 1946 a decision was reached to construct a new building. The motion called for a "red brick and cinder block building, with basement for Sunday School

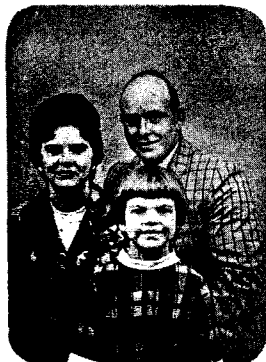

and furnace," construction to begin when one-half of the estimated cost was in the hands of the Treasurer. The building, which is still being used as the sanctuary, was accepted by the church on December 2, 1951.

The Reverend T. Graham Lester, Jr., accepted a call as pastor of the church in 1952, and served until 1957. By January, 1955, the indebtedness on the church building was paid and a savings account opened, thus beginning plans for a new building program.

The Reverend Woodrow W. Neal became the first full time pastor of the church in May, 1958. In the summer of that year a pastorium was erected across the highway from the church. In January, 1961 ground was broken for an educational building, and this was completed and dedicated on September 2, 1962.

In July, 1963, the Reverend James T. Campbell accepted a call to become pastor of Hunting Creek Church. He and his family are continuing their ministry at this time. Within the past five years a \$23,000 debt has been retired, the sanctuary renovated, carpet installed, additional land purchased, the church lawn landscaped, a parking area paved, and other improvements made to the church property.

From a drafty log building to modern facilities - from a membership of 90 in 1852 to a present membership of 552 - from a reported total contribution of a few dollars per year to an annual budget of \$32,000.00 - so stands the record. May future historians be able to record accomplishments of a church surrendered to following the will of the Lord and dedicated to advancing His Kingdom until He comes again.
